RE: International Settlements Policy Reform (IB Docket No. 02-324)  
International Settlement Rates (IB Docket No. 96-261)

Dear Ms. Dortch,

On Monday, June 28, 2004 Jim Talbot and I met with Don Abelson, Anna Gomez, Jim Ball, David Strickland, Francis Gutierrez, Mark Uretsky and Sasha Field (via phone). At this meeting we briefly discussed AT&T's June 28<sup>th</sup> filing in these dockets on Papua New Guinea and the Philippines. We reviewed AT&T's position that actions taken by Papua New Guinea to increase the rates paid by US carriers and the disruption of AT&T's circuits preclude its removal from the list of countries subject to the International Settlements Policy (ISP). We also discussed the current situation in the Philippines and reiterated our position that it is now appropriate for the ISP to be removed from this route.

One electronic copy of this Notice is being submitted to the Secretary of the FCC in accordance with Section 1.1206 of the Commission's rules.

Sincerely,

A handwritten signature in black ink, appearing to read "D. W. Schoenberger".
